MEMORANDUM

SUBJECT: Continued Revisions to Redelegations affected by Realignment

FROM: Lisa Castañon *LC*
Acting Regional Counsel

TO: Chris Hladick
Regional Administrator

Michelle L. Pirzadeh
Deputy Regional Administrator

Due to the Region 10 re-alignment and associated shifting of regional functions, numerous regional redelegations of authority need revision to be consistent with the re-alignment.

My continued non-substantive revisions include changing office names to reflect new division names, unit and program managers to branch and section chiefs, and unit and program names to branch and section names. Where possible, regional redelegation of authority has remained at the same supervisory level as the previous version of the regional redelegation.

New regional redelegations 1-132, Temp SDWA 1459, and Temp SDWA 1464 have been created in response to new HQ delegations. Regional redelegation 2-110 has been created in response to the development of a new regional program.

Enclosed please find these final draft revisions for your review and signature.

If you have any questions, please have your staff contact Garth Wright at (206) 553-1104.
